

**SOUTHERN OUTDOOR RESTORATION**

**Attention Residents of Countryhouse Service Group:**

The Board of Directors, via your property management with Mill House Properties, has directed our company to notify residents that we will be cleaning gutters in your community **June 17<sup>th</sup> - 20<sup>th</sup>, 2025, weather permitting.**

We will be blowing out all debris in the gutters and checking downspouts for clogs. You do not need to move any furniture or be at home for this work; however please note that we will clear any gutter or roof debris that may fall onto your walkways or decks. If there is a lot of furniture currently on your deck, we will do our best to work around it. If you have a locking gate, please ensure it is unlocked on your service date or we may not be able to fully access your unit.

We look forward to providing you a crisp, clean, and courteous result. Thank you in advance for your cooperation.
