

SOUTHERN OUTDOOR RESTORATION

Attention Residents of Countryhouse Service Group:

The Board of Directors, via your property management with Mill House Properties, has directed our company to notify residents that we will be pressure washing select townhomes in your community **June 23rd – July 2nd, 2025, weather permitting.**

PREPARATION: Please help us ensure the best wash result possible by temporarily removing ALL potted plants, grills, cloth furniture, electronics, and breakable décor on your porches, balconies, and patios prior to your service date. We ask that you keep your windows and doors securely closed. If you have a locking gate, please ensure it is unlocked on your service date or we may not be able to fully access your unit. **Please park your vehicle about 8-10ft away from your home to avoid any overspray or splatter.**
