

Tree Committee Charter, Countryhouse at Farringdon

March 24, 2025

Mission

The goal is to maintain the health of trees and the safety of our residents and properties.

Organizational Structure

The Tree Committee serves in an advisory capacity to the Board of Directors, providing guidance and recommendations on the tree related issues.

Objectives

1. Proactively facilitate the pruning and removal of trees as needed, based on direct observation, community input, and professional guidance.
2. Develop a long-term strategy and written guidelines for managing trees and wooded areas.
3. Respond to resident App Folio requests for pruning or removal as needed.
4. Communicate with the Board and community on requests, status, issues, and ideas.
